Voluntary Donations

As a specialist charity we rely on income to deliver our services, hire venues and fund our Group Facilitator.

If you are able to donate towards attending please simply scan this QR code to Just Giving. We suggest £5 for an online meeting and £10 for a face-to-face meeting per person or per family/carer group.

If you are not able to donate we still welcome you to join us.

Please contact Sam Shephard with any queries or to join us
